“ I have known Eunice for more than half of her life. We met when she worked at the Cleveland Job Corps Center. Although we were distance in age, we had a lot in common and shared similar activities. We both loved to shop and go out for lunch and dinner. Through the years our friendship continued and we celebrated many birthdays together. I was privileged to talk with Eunice on her birthday on April 9, 2020, since I could not visit her. She turned 98 years old. What an honor to have lived that long. That was my last time talking to her and I'll truly miss her.

“ I met Eunice & Ernie years ago when they lived down the street from us. Although they were much older we bonded! Both loved to entertain and we loved being in their home. Our friendship continued after Eunice left her home. I often visited with her to bring her goodies & word puzzles ! Eunice always had a smile on her face & always very pleasant. She learned to be content in all situations. Eunice had a deep faith in God & loved people! Rest In Peace Eunice! Sorry I couldn't visit you on your 98 th Birthday! Our deepest sympathy, Mo & Betty Miller & family
