“ Nancy was a student of mine and I think I had a hand in convincing her to run for a position in student government. She was a very quiet leader but a great one who enjoyed serving her school and her classmates. Recently, I was looking through old memories to share with my friend Tom Fasko, on my last visit before he passed and found a card Nancy wrote to me be upon her HS graduation. I wish I had known a way to reach out to her and tell her much that card meant to me almost 40 years later. RIP Nancy you certainly made the world a better place.

“ Dear sis, How can this be? You will always be in my prayers - just as you were in them before you went to heaven. I will always love you & look forward to seeing you again & give you bunches of hugs that I was unable to because of this lousy Covid. You were so loved & admired by so many, especially Dick & me. You have always made us very proud. Just as you were a second mother to Matt & Ang, I considered myself to be your second mother. I know you have happiness now with Mom & Dad. I can just see a special group hug. We will meet again. Toodle loo for now sweetie. Your big sis, Kathy

“ Nancy: Things I will miss: Our breakfasts, lunches, dinners (Don Ramon); our gambling trips, especially the one wwhere you got the Superman tatoo!; talking to you about everything under the sun and making each other feel better; your ability to answer our StarWars questions(especially about the last 3) without making us feel stupid; your compassion, your comfort, your respect, your kindness, your smile, your contagious laugh, your love for everyone. You have been a light in my life for 40 years and I will miss you so much. As we always said at the end of every conversation, "Love you!"

“ In 1978 Grease came to the theaters and we all went. Nancy played the album from Grease every day and it seemed like all the time. That Summer we learned to do the hand-jive.

“ Dearest Family, We are truly so very sorry for the loss of Nancy. It is heartbreaking to lose such a beloved and precious family member. A memory I have of her was many years ago when Bruce and I had just gotten married and stopped in Cleveland to visit family on our way East. Everyone was so lovely and accepting of us and the pool out back was a big hit! Even as a child Nancy helped make us feel welcome and that was so very kind. Actually, Nancy and Maggie were both loving to us and that meant a lot especially to me who had never met the Nunes family before. We pray for God to give you all His comfort and peace throughout this time and for the weeks ahead. We send our love and hugs, Love, Bruce and Kathie

“ Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me; your rod and your staff, they comfort me.” The Good News: Even death cannot separate us from the never-failing love of God.

So many great memories of going to my aunt and uncles house for the summer. Spending time with my cousins.

We'll be praying for our family.

“ Aunt Pat and I share our loving thoughts, prayers, and condolences to all the family. Nancy was such a sweet and caring person and was so well loved. May she Rest In Peace in the loving arms of our Father and in the company of our other family members who have gone before us. As her Godfather I felt a special connection to Nancy and I will always have warm memories of her. May we all find comfort through our faith, family, and friends. God bless you Nancy.....Uncle Nick
