Always had a positive & sweet comment on F.B. Always so full complements. I
always think of you as I would pass your street off of Denison & I will continue
Prayers for your children as they continue carry on day to day without your presence

“ Tootie you are my big sister and taught me so much. Respect, , kindness, patience, to cherish life but mostly to love.

Growing up you lived with us so much of the time. So many memories good and bad but mostly good. Tootie I don't know anyone who would be able to say anything bad about you. You opened your home and your heart to so many. You were so soft spoken but you could be a tigress if anyone hurt or attacked your family. You love with all your heart.

I will miss our long conversations sharing memories of our life.

Tootie you were my prim and proper sister, you were funny, sweet and the example of someone who believed in living life to make God proud of the person you were.

I will miss you so much but I know your in Gods arms.

I love you Tootie. My beautiful big sister.

“ Thank you, Mom. We all have so many memories to keep you close. I think you know how very much you're loved! I hope you're completely at peace with our Father in heaven and that you're with Dad and Michael and everyone else you loved that has left the earth before you. We will miss the daylights out of you, so please find ways to say hello. I really hope you'll be there to greet each of us when it's our turn to come home. You were the best mom ever!

“ Aunt Tootie you were always the most loving kind hearted person whom never judged or belittled anyone. I never heard you say a negative thing to or about anyone. You always had the best sense of reasoning and understanding of any situation. You always showed the love you felt openly. I will miss your smiling face, strong hugs and straight on kisses at every before and after gathering. I know without a doubt you are in heaven dancing on the clouds with the biggest strongest wings. I LOVE YOU AND MISS YOU TERRIBLY ALREADY!
Thanks for being such a great inspiration! Connie

Your light will shine in this world forever, your children and grandchildren and great-grandchildren were molded from a more perfect love than one could ever imagine, your forgiving, loving nurturing nature was AWESOME to say the least and I hope we can be one tenth of the LADY you are, I LOVE YOU THROUGH ETERNITY, THANK YOU MOM!!!!
